Renaming of the Faculty of Engineering

- The Faculty of Engineering is being renamed to the Price Faculty of Engineering following a \$20 million gift from Dr. Gerry Price (CEO of Price Industries) and Mrs. Barbara Price.

Draft Statement on the Importance of Higher Education

- In response to a provincial mandate letter on higher education, the Senate is drafting a statement about the importance of higher education.
- On behalf of SSC, Julia Minarik (GSA) brought forward concerns about the statement not adequately emphasizing the value of knowledge over industry as the goal of higher education, in the face of the government potentially seeking to devalue certain paths of knowledge.
